This data is used to deliver customized content and advertising within PHE to customers whose behavior indicates that they are interested in a particular subject area PHE will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on PHE or the site; (b) protect and defend the rights or property of PHE; and, (c) act under exigent circumstances to protect the personal safety of users of PHE, or the public. Use of Cookies The PHE website

may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you. One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize PHE pages, or register with PHE site or services, a cookie helps PHE to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same PHE website, the information you previously provided can be retrieved, so you can easily use the PHE features that you customized. You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the PHE services or websites you visit.

Security of your Personal Information When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol. Verisign is an independent, third-party company engaged in the development of digital trust. Verisign provides authentication of Internet services, digital identity and intellectual property. PHE uses Verisign to protect your personal information. Children Under Thirteen PHE does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website. Opt-Out & Unsubscribe We respect your privacy and give you an opportunity to opt-out of receiving announcements of certain information. Users may opt-out of receiving any or all communications from PHE by contacting us here: drmimi32@me.com Changes to this Statement PHE will occasionally update this Statement of Privacy to reflect company and customer feedback. PHE encourages you to periodically review this Statement to be informed of how PHE is protecting your information.
